AGENDA

Board of Water & Sewer Commissioners
July 8, 2020 @ 6:00pm Room 321A

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's Executive Orders imposing strict limitations on the number of people that may gather in one place, although a quorum of the members of the Dudley Board of Water and Sewer Commissioners will be physically present for this meeting, no in-person attendance of members of the public will be permitted. The meeting will be live broadcast on Dudley Cable Access Television, Channel 192, and members of the public can also access the meeting online via YouTube. In the event of an unanticipated interruption in this broadcast, we will post on the Town's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Members of the public who wish to appear before the Board/Committee must make an appointment to appear on an upcoming agenda, by contacting Jennifer Cournoyer or by emailing watersewer@dudleyma.gov. Placement on the agenda is not guaranteed however, and persons requesting to appear before the Board/Committee should not attend a meeting in person unless and until the appointment has been confirmed by the Board/Committee. Persons with matters appearing on a meeting agenda may request that they attend via virtual means, such as conference call, rather than via in person attendance. Such request should be directed to Jennifer Cournoyer 508-949-8007 or by emailing watersewer@dudleyma.gov no more than 72 hours (not counting Saturdays, Sundays, or legal holidays) in advance, so that appropriate arrangements can be made.

However, persons or representatives with matters appearing on the meeting notice/agenda who wish to be physically present at the meeting must observe the following requirements:

1. *Only ten people, including Board/Committee members and staff, will be permitted in the meeting room at one time. Satellite rooms will be available for overflow, and the meeting will be broadcast in real time in those satellite rooms. Total capacity in each room will be limited to 10 persons.*
2. *Persons who wish to participate in any particular matter on the meeting agenda will be asked to wait in a satellite room until that agenda item is reached, at which point attendees will be rotated between the main meeting room and the satellite room(s), as appropriate. Again, the total number of persons in any room, including the main meeting room, shall be limited to 10 people at any one time.*
3. *Social distancing must be maintained in both the main meeting room and in satellite rooms. Face masks or coverings will be required in accordance with Governor Baker's May 1, 2020 COVID-19 Order No. 31, "Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible." A copy of that order can be found at https://www.mass.gov/doc/may-1-2020-masks-and-face-coverings/download*
4. *Failure to comply with these requirements may lead to an attendee's removal from the meeting.*
