

Webster & Dudley

EARTH DAY CLEANUP

Saturday, May 14th, 2016
8:00am-1:00pm

- Check in by 9 a.m. to pick up supplies and be assigned a cleanup location.
- Gloves, bags & safety vests will be provided.
- Tree seedlings will be distributed to volunteers while supplies last.
- Participants should bring all trash collected back to the dumpsters provided by Pratt Trucking at either location below. If you need assistance with bulk items, pick-up trucks will be available on request.
- At the end of the cleanup, you will be asked to fill out a “Trash Tracker” form

Last year 2.68 Tons (5,360lbs.) of trash and .54 tons (1,080lbs.) of recycling were collected from the roadside, riverside, lakeside, parks and vacant lots in Webster and Dudley by over 225 volunteers including individuals, local businesses and organizations, Girl & Boy Scout Troops and families of all ages.

This event is organized by The Webster Dudley Business Alliance in cooperation with the towns of Webster & Dudley and sponsored in part by The Last Green Valley along with various local businesses.
