2020 Census

Here is a link to the information already publicly distributed by the Census Bureau regarding the program. At this link, there is a short video which helps to explain the program and how to identify address canvassers.

“Verify Census Workers in Your Area” <https://2020census.gov/en/census-takers.html>

If you are visited by someone from the Census Bureau, and want to verify their identity and occupation, here are some tips to assure the validity of the field representative:

- Census takers must present an ID badge that includes a photograph of the field representative, a Department of Commerce watermark, and an expiration date.
- [Follow this link and enter any field representative's credentials.](#)
- Note that census workers may be carrying a Census Bureau phone or a laptop as well as a bag with a Census Bureau logo.
