RE: Three More Cases of COVID-19 confirmed in Dudley

FOR IMMEDIATE RELEASE

The Town of Dudley is confirming that three additional cases of Dudley residents testing positive for the COVID-19 virus have been reported today. According to Town Administrator, Jonathan Ruda, "This brings our local total, as of 3:45 on Friday afternoon up to four confirmed cases. As testing becomes more widespread and available, we've expected this, and expect more, but we have prepared for this. The Town continues to follow the protocols provided by the Department of Public Health for all cases or suspected cases of COVID-19.
