

Town of Dudley – Santa Tour

The Covid-19 situation has caused several changes to our normal activities. One of the most celebrated annual events in Dudley has been the Annual Tree Lighting. This has been held for over twenty-five years, generally the week after Thanksgiving. Due to the pandemic, this event has unfortunately been cancelled. However, all is not lost. Thanks to his long-standing connection with the Town Offices, as well as the Fire and Police Departments, Santa and his helpers have arranged to ride around the town for one night and spread some holiday cheer. They will be traveling on a Fire Truck, escorted by the Police. This is scheduled to take place (weather permitting) on Friday, December 4th starting at 4:30 pm. In the event of bad weather, the new date will be Saturday, December 5th. The proposed route, and estimated times of the visit, is listed below. Check the list for your area. Times proposed are estimates. The actual visits could be sooner or later, and the route may be altered without notice as well. Arrangements are underway to broadcast this event over social media and possibly track the route in live time. Due to the pandemic, people are asked not to gather in crowds, remember to social distance, and observe the other safety precautions. We thank you in advance for your cooperation and assistance.

Procession is scheduled to begin at 4:30 pm near the Connecticut line, off Lower Schofield Avenue, in The Perryville Estates. It then will travel to:
